

RESTAURANTS, HAUTERIVE NE

RESTAURANT CHINA TOWN

Refreshed in the rules of art, China Town has never looked so zen and luminous. A virtuoso of Chinese cuisine, the Hong Kong chef has been sharpening his own knives since childhood, so he will guide you on the road to a thousand and one Asian flavours. An intense but serene journey: all the fresh ingredients are gathered to share a meal in all tranquillity, whether it is with the family, for a birthday or a banquet.
