SUCHY & TRUFFE - A WALK THROUGH THE HEART OF A TRUFFLE FARM

Astor, the champion truffle dog, will demonstrate his nose for truffles and his ability to flush out the precious mushrooms nestling in the bowels of the earth.

?

Back in the tastefully transformed grocery store, you'll start by learning a few truffle-making secrets, such as truffle butter to accompany an aperitif or a dish.

?

Then you'll enjoy a 3-course truffle menu accompanied by local AOC Bonvillars and Côte de l'Orbe wines.
