

FARM RESTAURANTS, TRAMELAN

MÉTAIRIE DU RANCH

Priscillia and Lucas warmly welcome their guests to an authentic farmhouse, where friendliness and fresh regional products take center stage.

In a bright setting with a terrace and a winter garden, enjoy a peaceful environment far from traffic noise. Their regional cuisine will delight food lovers: rösti, meats, cheese or mushroom gratins, cheese or meat fondues... not to mention the must-try specialty from their region of origin, flammkuchen.

On site, both young and old will find something to enjoy: a playground, farm animals, horse riding, as well as a range of unique accommodation options — caravans, a former apiary, sleeping on straw, or guest rooms.
