

GUIDED CITY TOUR, ESTAVAYER-LE-LAC

ARTICHOKE-ITINERARY OF URBAN ART

Paintings, sculptures, casts and installations are spread across the public space, forming an open-air gallery that creates a striking contrast between modern art and its historic setting.

From now on, the itinerary will extend beyond the town: a work located in Cheyres and another in Gletterens will enrich the route, inviting visitors to explore the area in greater depth.

The works, both temporary and permanent, are accessible all year round, on foot or by bike. A brochure is available from the Tourist Office, and guided tours are also available.
