

GUIDED CITY TOUR, ESTAVAYER-LE-LAC

ARTICHOKE-ITINERARY OF URBAN ART

About twenty-four artworks painted, sculpted, moulded or resulting from other techniques are nestled in the four corners of Estavayer-le-Lac. They thus form a thematic itinerary, an open-air gallery that is easy to walk through and strongly contrasts with the historical setting of the medieval city.

Temporary or permanent, the surprising masterpieces of national and international artists can be discovered year-round, on foot or by bicycle using a map provided by the Tourist Office or through guided tours.
