FÊTE DES SAISONS, TAVANNES 2026

Demonstration of regional or even national scale, notably through its famous flowered Corso. The Tavannes Seasons Festival is now one of the highlights of the festive and cultural life of the region. Over the course of a weekend, more than 25,000 people are expected to gather in the streets of Tavannes.

With a long tradition, the Corso de la Fête des Saisons presents more than 20 floats and musical groups (bands, cliques), representing about 300 participants, including more than 150 children. It takes place at night on Saturdays and during the day on Sundays.
