

FESTIVITY, FESTIVAL, NEUCHÂTEL

SPORTS FESTIVAL

Initiations and demonstrations will be 100% free and open to all, with some disciplines requiring prior registration.

Fans of obstacle courses, beach volleyball, street workout, scootering and skateboarding can also sign up for one of the tournaments, championships or other contests on offer.

This year's programme offers over 40 sports to try out over two days, provided by some thirty clubs, associations and other local players involved in Neuchâtel's sporting life. It's a unique opportunity to discover and try out activities that are more or less well known, while enjoying discussions with instructors and practitioners of each discipline.
