MUSEUM, LA CHAUX-DE-FONDS

QUARTIER GÉNÉRAL

Opened in 2015, Quartier Général is an art centre housed in the former slaughterhouses of La Chaux-de-Fonds, an iconic architectural gem. This contemporary art centre is more than an exhibition space: it is conceived as a place of welcome, hospitality and support for artistic creation. It embraces an experimental approach, highlighting the creative process and accompanying artists in their work. Quartier Général positions itself as a space for exchange and exhibition, where cultural practitioners and audiences engage in dialogue around contemporary issues.
