

NATURE, ST-GEORGE

# PARK JURA VAUDOIS

The Park Jura vaudois of the Lake Geneva Region offers a variety of excursions and accommodation options in the heart of a calm and protected region.

Its network of 523 km long hiking trails, takes you through the beautiful forests and meadow with their chalets and dry-stone walls and offers a breath-taking view over Lake Geneva region and the Alps. In winter, biking and hiking are replaced by cross-country skiing, downhill skiing and snow shoeing.

Numerous alpine chalets serving cheese specialities, including Gruyère AOP, allow visitors to savour local products.

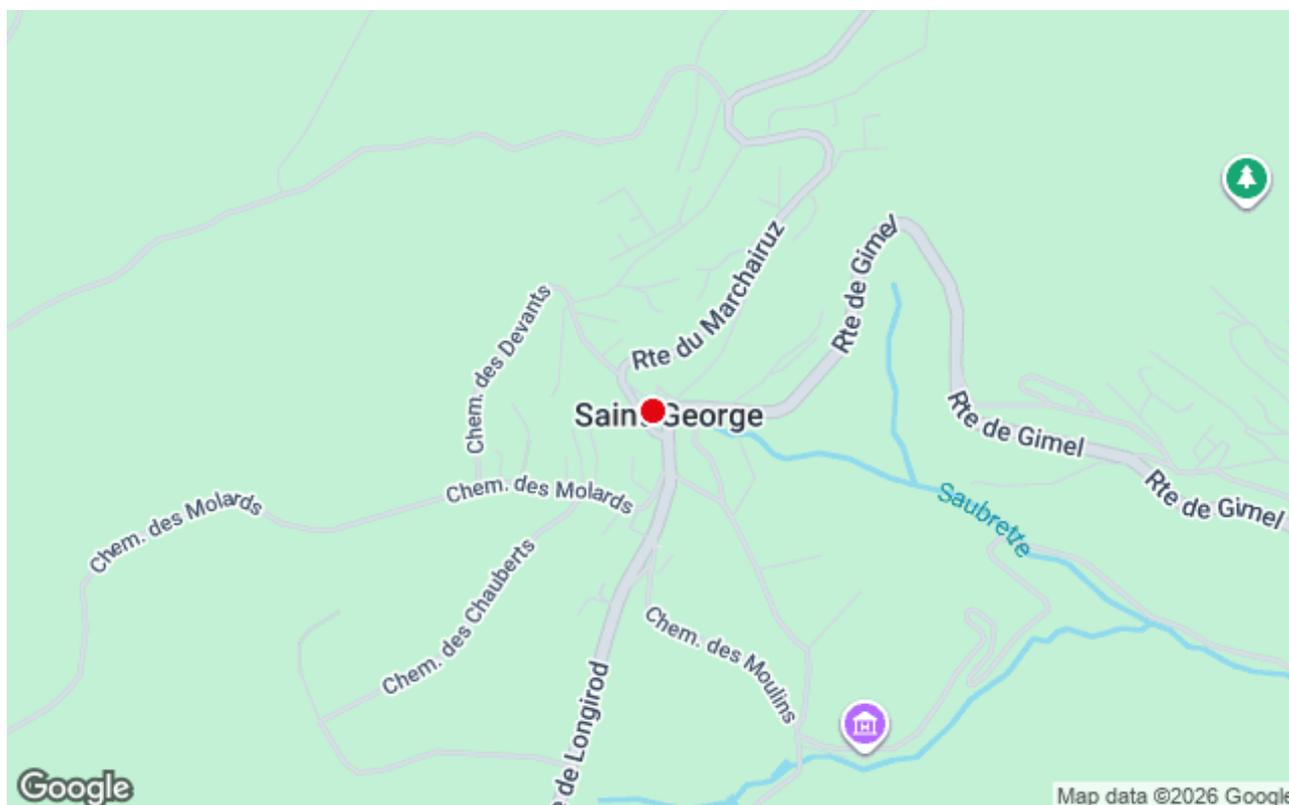

Finally, the delightful villages of the Park Jura vaudois offer accommodation for a well-deserved rest before setting off again for new adventures.
