# BISTRO - ROMANTIK HOTEL DE L'OURS

**Gourmets get their rewards in the four restaurant areas. In the Restaurant and Bistro, on the terrace and in the garden, regional and seasonal cuisine is served up in its purest form, loosely based on the words of G.B. Shaw: "No love is more sincere than the love of food." You will feel at home in the inviting atmosphere while enjoying the delicious dishes. The generous wine cellar with local and international specialties will make the hearts of wine lovers beat faster.**

**The interior of the Bistro is a very successful mix of oak parquet flooring, bistro benches and chairs and a modern counter. The art nouveau lamps and paintings give the restaurant a very personal touch. In a more refined setting, the Hôtel de l'Ours restaurant's dining room offers a cosy setting.**

**Locals and tourists meet in the bistro for a glass of wine, tasty brasserie dishes or regional**
