CULTURAL HERITAGE, AUVERNIER

AUVERNIER

Between hillsides and lake shores, the historic village of Auvernier invites you to stroll along the cobblestone streets lined with elegant winegrowers' houses and dotted with old fountains. The Château d'Auvernier and the many other wineries can look back on a long winemaking tradition. Also not to be missed: a swim on the magnificent beach to the south of the village and a walk along the banks towards the marina.

GOOD TO KNOW

- The village of Auvernier is listed in the federal inventory of built sites of national importance to be protected in Switzerland (ISOS)
