GUIDED CITY TOUR, LA CHAUX-DE-FONDS / LE LOCLE

HAUTEUR·E·S DU TEMPS

During an original literary journey through the two watchmaking cities, you are invited to discover 42 quotations painted on the walls by the artist Jennifer Mermod and featuring the region's authors. With the theme of time as a common thread, these texts also offer you the opportunity to appreciate the unique watchmaking town planning of the two cities.
