

RESTAURANTS, BIENNE

CULINARY ARTISTS

Immerse yourself in a culinary setting that is like an auditorium for taste and personal experiences. You sit at the “TABLE” with a direct view of the show kitchen. The stylish ambience, along with the culinary range and the experience of watching the chefs at work and asking questions, will remain in your memory.

With modern beats and a unique atmosphere, you enjoy a menu of three, five or seven courses.

Further enjoyment comes in the form of their own drinks as well as wine from the best Swiss winegrowers to accompany the specialities.
