THEATERS & CINEMAS, BIEL/BIENNE

FILMPODIUM BIEL/BIENNE

The Filmpodium is the only non-commercial cinema in the Biel-Seeland region. Its aim is to show the seventh art in all its diversity, through a programme that is off the beaten track. From Thursday to Tuesday, you can see films that have not been distributed in Biel or remakes that are rare on the big screens. The rich and varied programme includes retrospectives devoted to the great names of the cinema as well as new Swiss films and thematic cycles.

GOOD TO KNOW

- The Filmpodium focuses on original versions with dual subtitles in German and French.
