# ALPINE BUS - JURA VAUDOIS LINES

Throughout the year, two bus lines operate every weekend to the Marchairuz and Mollendruz passes, providing a link between the Vallée de Joux and the plains:

PostBus N0 10.720: Allaman - Col du Marchairuz - Le Brassus

MBC N0 10.750: Cossonay - Col du Mollendruz - Le Pont

An ideal solution for hikes in the heart of the Jura vaudois nature park and to reach the Jura Crest Trail and its panoramic viewpoints: the Dent de Vaulion, the Croix de Châtel, the Mont Tendre (the highest peak in the Swiss Jura) or the Crêt de la Neuve.
