CULTURAL HERITAGE, VALANGIN

VALANGIN

In a green setting at the entrance to the Val-de-Ruz, you will discover the emblematic Valangin castle proudly enthroned on a rocky spur. It watches over the 16th century historic centre, preserved from traffic, which harmoniously aligns its colourful old buildings. On the other side of the vaulted gate stands the former collegiate church, built on the water and extramuros. Down below, don't miss the river, which offers refreshing walks with new perspectives on the village.
