CRUISE LAKE MURTEN

Several times a day during the summer season you can explore Lake Murten by boat. From Murten, you start off in an anti-clockwise direction. The ship first docks in Praz, then continues on to Môtier, Vallamand and Faoug before docking in Murten again.

LNM (Société de Navigation sur les lacs de Neuchâtel et Morat SA) is responsible for navigation on the Lakes of Murten and Neuchâtel.

The season runs from April 10 to October 18. Cruises operate from Friday to Sunday between April 10 and May 3, and from October 2 to October 18. From May 8 to September 27, they operate daily.

Tickets are available directly at the Murten ticket office. Special tickets (day tickets) are also available at the counter of Murten Tourism.
