CRUISE LAKE MURTEN

Several times a day during the summer season you can explore Lake Murten by boat. From Murten, you start off in an anti-clockwise direction. The ship first docks in Praz, then continues on to Môtier, Vallamand and Faoug before docking in Murten again.

LNM (Société de Navigation sur les lacs de Neuchâtel et Morat SA) is responsible for navigation on the Lakes of Murten and Neuchâtel.

The season lasts from Easter to the End of October. Until June the ships navigate only from Wednesday to Sunday.

Tickets are available directly at the ticket office or online at LNM. Special tickets (day tickets) are also available at the counter of Murten Tourism.
