VACATION APARTMENTS, GLÉRESSE

FERIENWOHNUNG WEINBAU FESTIGUET

The hamlet of Festi consists of three independent buildings idyllically located above Ligerz with a glorious view of Lake Biel, St. Peter's Island and the Bernese Alps. You can enjoy peace and quiet at this holiday apartment, and yet it is just a few minutes by car, on the funicular or by foot to the nearest restaurant or the village shop.

The Teutsch winegrowing family looks forward to welcoming you to their holiday apartment. Wine is produced and guests are entertained in Festiguet with a great deal of commitment and joy. Everyone is welcome in this three-generational establishment, which is also home to a dog, cat, a turtle and chickens.
