RESTAURANT LOKAL

Inspired by the world - at home in Biel

Cosy, honest and warm - at the Lokal you are not a guest, but a friend.

The restaurant team wants to offer guests a pure and authentic experience. Surprisingly cheeky creations, an enthusiastic team and a relaxed atmosphere contribute to this.

Whether it's good food, honest wine, signature cocktails or culture combined with everything, there's always something going on at the Lokal. The team is passionate about passing on their love of the product to you. With a sense of humour, the restaurant treats its friends as equals.
