NATURAL SITES, ERLACH

JOLIMONT / TEUFELSBURDI

The erratic blocks, Bronze Age and early Celtic burial mounds, and bowl stones that are to be found here, are located directly on the "Drachenlinie" (dragon line). This is a line of energy which brings us closer to ancient knowledge about the secret of life. One legend tells how the devil himself gathered blocks here for the construction of a castle on Jolimont to watch the inhabitants of the region

GOOD TO KNOW

- Good shoes are recommended
