NATURAL SITES, LYSS

CHRU¨ TZHÖCHI IN LYSS

If you would like to enjoy a distant view and be lifted high above the tops of the trees by the power of nature, the Chru?tzhöchi is just the place to be. This is made possible courtesy of a viewing tower that looks unassuming from the outside. Four Douglas fir tree trunks, more than 100 years old, hold a platform for visitors 38 m above the ground.

GOOD TO KNOW

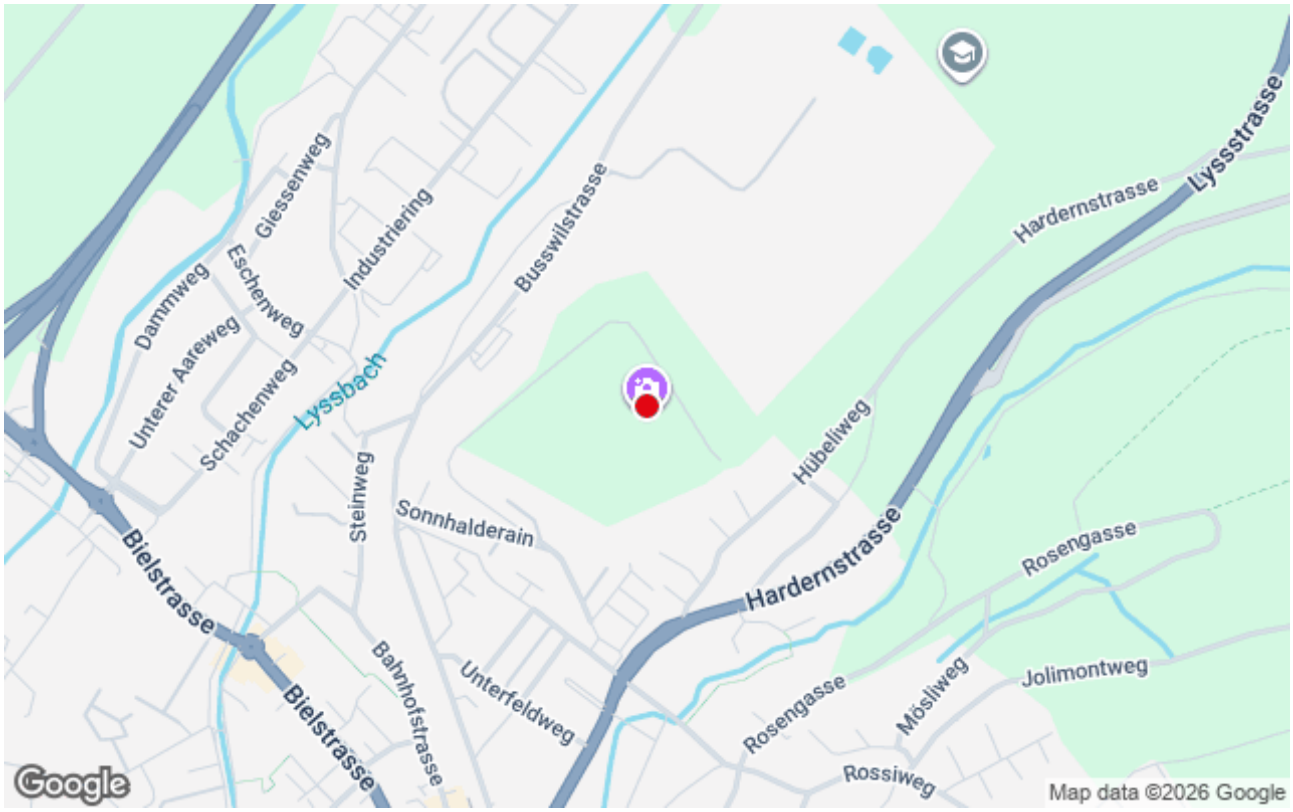

- You must have a head for heights
- It can only be reached on foot or by bike
- Open all year round
- Restaurant Hardern Pintli: closed Tuesdays and Wednesdays
