CRIME-TRAIL ESTAVAYER

The medieval city can be visited in many ways and now also through an investigation in search of a criminal.

The journalist Marie Gaillard was found dead in her apartment. Her body was discovered by a neighbor ... but who perpetrated the crime?

In two hours, the Crime-Trail game allows groups to discover the town of Estavayer-le-Lac, its historic streets and little-known corners while solving a hectic criminal case. Having fun with friends or family becomes child's play!
