

RIDING, COURT

SEEBACHER- WESTERNTRAINING

Camping like a cowboy literally in the Wild West of Switzerland. The idyllic ranch is located on the edge of the village of Court in the Grand Chasseral, starting point for hiking, climbing and mountain bike tours. The "Caravan" stands in a secluded little garden with a pond. The "Caravan" accommodates 2 persons. It is possible to put a tent in front of it.

Although not far from the center of the village, you will hear nothing but the chirping of birds, the snorting of horses, the clattering of hooves, and gently the church bells of Court. In the summer, the cowbells from the nearby summer pastures jingle and give you the feeling of being in the mountains. The lovingly furnished bathroom is located in the main house 20m from the camp. You share it with Nomady campers on the site next to the riding hall. Bikers can go directly to the mountain bike trail "Montoz" and from Court various hikes lead e.g. to the gorges, the Gorges de Court. It has a fire bowl with grill grate. Wood is available free of charge.
