CAMP SITE AND SWIMMING POOL IN PRÉS-SOUS-VILLE

On the banks of the River Orbe, at the foot of the Jura, Vallorbe's campsite and heated swimming pool offer an unusual break for nature lovers. Two pools, a paddling pool, a slide and a beach volleyball court guarantee an active and rejuvenating stay in the heart of a bucolic setting where nature abounds. Hikers will love the many footpaths and mountain bike trails that criss-cross the region: the Crêtes du Jura path no. 5, circuit no. 7 'Sur la route du Jura', La Suisse à Vélo and route no. 3, Jura Bike (mountain biking).

Once they've regained their energy and that of their family, visitors can spend a night in these surroundings and discover Vallorbe's four well-known tourist attractions:

- Vallorbe Caves
- Juraparc
- Iron and Railway Museum
- Fort Pré-Giroud 39-45.
