CAMPING TCS LE SIGNAL

This campsite is set in lush greenery, perfect for relaxing. Access to the swimming pool, with its waterslide, is free for residents. Numerous activities are organised during the high season: card tournaments, mini-golf and pétanque for young and old, concerts and themed evenings are just a few examples.

Open from April to October, the campsite has individual shower cubicles with free hot water, washing machines and tumble dryers, facilities for the disabled and a baby-changing room. There is also a refreshment bar and a small shop.
