CAMPING TCS LE SIGNAL

In its green setting, the camp site is a haven of peace and relaxation. Residents have free access to the piscine and its waterslide. Numerous events are organised during the high season: card games, mini-golf and pétanque tournaments for old and young, concerts and themed evenings are only some examples.

Open from April to October, the camping disposes of individual shower cubicles with free hot water, washing machines and driers, wheelchair access and a baby changing room. There is also a bar and a small shop.

Orbe township offers varied activities: Roman mosaics, Rod flourmills, the Orbe gorge, etc. In summer, the tourist office organises free guided tours.
