SPORTS & LEISURE, YVERDON-LES-BAINS

INDOOR SKATING RINK OF YVERDON-LES-BAINS

The skating rink in Yverdon-les-Bains offers the broader public an ice surface covering 1800 square metres from September to May. Cloakrooms and a restaurant complete the facilities. It is possible to rent skates on the spot. In addition, for those with reduced mobility, a skating platform aid is available free of charge.

Outside of public opening hours, the skating rink is used by the local hockey club and schools. In summer, it hosts the Coupe des Bains, a competition bringing together European ice hockey's elite.

The skating rink can be booked for events. The stands have a total capacity of 1800 places.
