GUIDED CITY TOUR, AUVERNIER

VISIT OF THE WINEGROWER'S VILLAGE WITH TASTING

After discovering the surrounding vineyards, most of which are biodynamically cultivated and bordered by stone walls, your heritage guide will introduce you to the history of the old village with its manor house and narrow streets lined with winegrowers' houses tangled around two cobbled streets. At the end of the tour, you will be offered a tasting in one of the village cellars.
