

TRIP IDEA, TRAMELAN

RELAXING WEEKEND FOR TWO AT THE HOTEL LE CIP

Far from the uniform architectural mass of our time, the CIP building is characterized by forms reminiscent of stars. Located in the middle of the fields and above the fog, the CIP Hotel-Restaurant offers you the opportunity to relax and enjoy a weekend trip for two. Romantically decorated rooms, 3-course menus and private use of the sauna, as well as a few extras, so that you can spend a pleasant moment together.
