# DÉFI BOLDAIR

The principle is simple: after registering, you set off alone or with your family on foot and/or by bike on the various routes. Along these routes, you will find posts that will provide you with historical, funny or mind-boggling information.

For this new edition, the organisers of the Boldair Challenge have turned to five associations from the region who know all the little trails and the most beautiful viewpoints that you should not miss.

The starting points of the routes are located in:

- Porrentruy
- Moutier and Corcelles
- Charmoille
- Saignelégier
- Glovelier

and in all the villages of the valley of Delémont.

All the routes are described here ? [www.movvin.ch](http://www.movvin.ch)
