COMBINED OFFER, TRAMELAN

CIP E-BIKE ADVENTURE

Far from the uniform architectural mass of our time, the CIP building is characterized by shapes reminiscent of the stars. Situated in the middle of fields and above the fog, the CIP Hotel Restaurant offers you the opportunity to relax and enjoy a sports weekend in the middle of nature. Overnight stay, welcome aperitif and a day on an e-bike are included in the package.

PRICES

Price of the combined offer

Package "CIP E-bike adventure" (per person)	CHF 120.-
