THEATERS & CINEMAS, SAINT-IMIER

CENTRE DE CULTURE & DE LOISIRS - CCL

A player on the cultural scene for over 50 years, the CCL offers some 40 events each season for all audiences. The program is balanced and varied: contemporary and classical music, exhibitions, theater, dance, shows for young audiences, conferences, workshops... While the CCL occasionally welcomes internationally renowned artists (Renaud Capuçon, Barbara Hendricks, Yves Jamait, Michel Jonasz, Jean-Daniel Rohrer, Anne Roumanoff...), it also seeks to showcase the best representatives of the Swiss scene, original discoveries that are very important to the CCL, as well as regional talents.
