

GUIDED CITY TOUR, MORAT

MURTEN PHOTOGRAPHY WORKSHOP

Accompanied by the amateur (but experienced) photographer Carim Jost, you will walk through the old town of Murten and its lakefront, camera in hand. In small groups, this workshop spread over three dates is meant to be "exclusive" and "intimate", in order to encourage exchanges between the participants and the photographer, who will guide the workshop.

Spring, summer or autumn, three dates and three seasons that will offer you very different landscapes and atmospheres.

What angle to choose, at what time of day to capture the best light, what are the secrets of a successful photo? So many questions that you will have the answers during this unique workshop!
