HÔTEL DE L'OURS PRÊLES

Run by the third generation of the same family since 1899, the recently renovated Hotel de l'Ours in Prêles offers an authentic experience. You can discover many attractions, activities, sports and events nearby. Located at the foot of the Chasseral Natural Park, the hotel has 12 rooms. The Hôtel de l'Ours Prêles has a cocktail bar, coffeshop, restaurant, lounge with fireplace, garden and free Wi-Fi in all its premises.

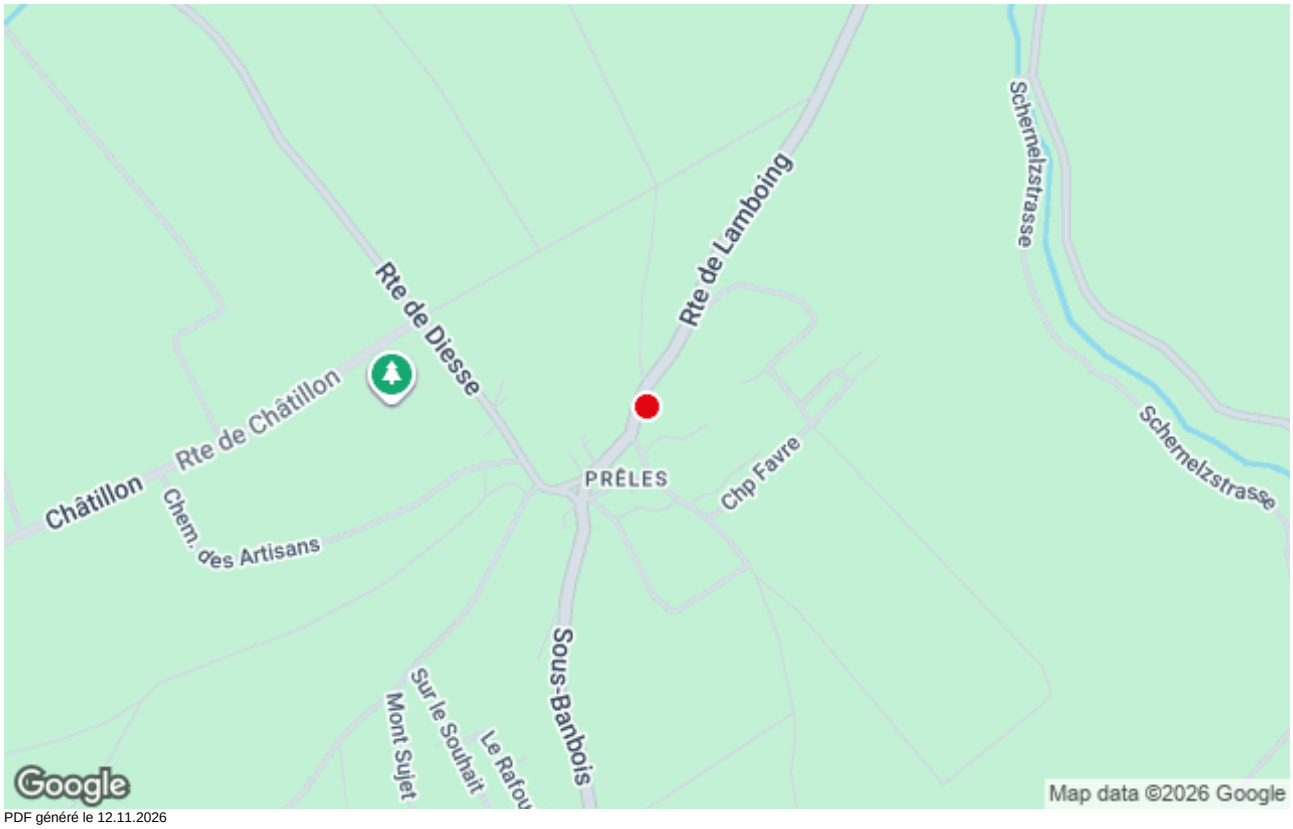

It offers family rooms, suites and double rooms and two terraces. The hotel serves a continental breakfast included in the rate and in its restaurant dishes composed of often regional products and respecting nature and the seasons. Ideally located on the Plateau de Diesse, the Hôtel de l'Ours Prêles is ideal for discovering the region. The area is popular with hikers and bikers, but also geographically central for any business trip. The hotel also has a business center, free private parking, a conference room and a locked room for bicycles or skis. Couples especially appreciate the location of this establishment.
