

FUN & ADVENTURE, DELÉMONT

# INX REALITY

INX Reality's VR and VR escape game platforms push the limits of virtual reality even further!

VR platform offer: the one and only way to race in virtual reality! Move freely around 360° (up to 4 players).

VR escape game: suitable for all ages, escape games in virtual reality are adventures that take place in different universes, where players must collaborate to advance. More than 13 VR escape games are available (up to 6 players).
