

AUTRES ÉVÈNEMENTS, PRAZ

THE VULLY GOURMET PATH

The walk is a roundtrip passing through 6 different culinary stops. The Vully Blues Club will provide some good music on the way as well as at the arrival.

To make the experience even more pleasant and to respect the sanitary measures in force, departure times have been introduced (limited number of places for each time slot). It is therefore possible to start every 15 minutes from noon to 5:00 pm (stands open until 8:00 pm).

Information COVID-19:

Due to the health situation and related restrictions, the Route Gourmande du Vully will take a different form in 2021. A Covid certificate is not required to participate in this event, but wearing a mask is in the starting area and at the stands is an obligation. In addition, the bar in the finish area of the event will not be installed. The musical entertainment will be reduced.

Registration is possible at Vully Tourisme. Please mention your complete contact (name, first name, phone number, email), number of tickets and desired departure time.

The event will take place in all weather conditions.
