BRADERIE PRÉVÔTOISE

The Braderie prévôtoise returns from 29 to 31 August! And this year, it's taking place at the summit of the Moléson... with La Gruyère as guest of honour!

On the menu: folklore, good cheese, bells, bearded men (for real), a local market... and of course, meringues and double cream for those with a sweet tooth

The highlight of the show? Bastian Baker in concert on Saturday night at 10pm on the main stage!
