

GASTRONOMY & WINE, CHAMPAGNE

# A GOURMET WALKING TOUR AROUND GRANDSON

The Balade Gourmande in Grandson and the surrounding area takes place every year in August. It attracts a large number of participants to discover the rolling, verdant wine-growing landscape during a relaxed stroll. It's an opportunity for participants in small groups to admire rewarding views and landscapes of the Jura and Alpine panoramas beyond the color palettes of Lake Neuchâtel. At each of the 9 gastronomic stops, wines and specialities are tasted.
