

VACATION APARTMENTS, LE PRÉDAME

APPARTEMENT - N°5

No. 5 is an old farmhouse dating from 1690 with authentic charm and beautiful lighting. The vacation apartment has been tastefully renovated and is very comfortable, making it an ideal place to relax and recharge your batteries. It is the oldest house of the hamlet, set amid a serene and traffic free natural setting in Prédame, Chez Sémon, at the beginning of the Franches-Montagnes plateau.

Located near an alley of centuries-old trees, it provides a perfect starting point for numerous walks and bike rides. The apartment has two master bedrooms and a dormitory-type room for 4 children (max. 8 persons), a large bathroom with bathtub, shower and toilet, as well as a separate toilet. Cots and high chairs are available.
