Discover the charming Villa Spa de l'Ajoie! Nestled in the green countryside of the Swiss Jura in a friendly neighbourhood, Villa Spa de l'Ajoie offers you plenty of space and a rejuvenating view of the Jura landscape and its horses. The villa is equipped with a large American swimming spa (hydro massage bath area, counter-current swimming machine, water gym equipment, light shows, fountains, water temperature between 33 and 35 degrees depending on the season). This aquatic area is located in a large veranda which offers you the possibility to enjoy the Spa at any time and in any season while enjoying a beautiful view.

The villa also has a nicely equipped terrace (with garden furniture and an electric barbecue) complete with a bio-climatic pergola enabling you to enjoy pleasant temperatures naturally. Children can also have fun outside with various games. The ground floor consists of a living room with an open-plan kitchen (including crockery), a suite with a double bed and a bathroom with a bathtub, a bedroom with two single beds (one of which is a pull-out bed), a bedroom fully adapted for babies, and another bathroom with shower.

On the first floor, you will find a room that also affords a pleasant view and is organised with an area featuring a second TV lounge, a sports area and a games area. Two other bedrooms with double beds are located on the first floor and have a large shared bathroom with bath and shower. The villa is ideal for a cosy, warm and relaxing stay, as a couple, with family or friends, and to discover the beauty of the Jura.

Seminars or meetings can also be organised here thanks to the space offered by the large room, and organisational support can be provided if required.

Two bicycles are at your disposal and you can quickly access the cycle paths in the middle of nature. Located close to the motorway exit, the Villa Spa de l'Ajoie is easily accessible (between 45 and 60 minutes from: Basel, Biel and Mulhouse, Belfort, Montbéliard).
