BED & BREAKFAST, COURGENAY

CHAMBRES D'HÔTES - MOULIN DE PAPLEMONT

We look forward to welcoming you to our mill, built in 1690 and family-owned since 1902. Located eight kilometres from the centre of Porrentruy and nine kilometres from Saint Ursanne, the Paplemont mill is an ideal place for a quiet stay in the middle of nature. It has one of the largest wheels in Switzerland.

This bed and breakfast offers two suites sleeping up to 11 guests in total.

WiFi is available. This is a small haven of peace and simplicity where time appears to stand still. An ideal place in which to recharge your batteries. Children will be thrilled to explore the farm, the stream and the nearby forest.

As the seasons go by, you will witness the blossoming of the orchards surrounding the mill, the picking and tasting of ripe fruit under the trees, work in the fields as well as livestock care. There are food shops in the two nearby villages of Cornol and Courgenay.

With the Jura-Pass, make the most of free public transport and get reductions on a range of activities in the region.
