FUN & ADVENTURE, LA HEUTTE

ZOOANIMATION

Lots of ideas for walks in the company of the donkeys Anémone and Zachary in the superb setting of the Grand Chasseral, on the banks of the Suze. Hiking for a few hours, a day, 2 or 3 days or a week, in the moonlight, with fondue, therapeutic care or coaching... everything is possible, depending on your wishes and interests! Zooanimation also offers a range of activities with animals (donkeys, goats, dogs, rabbits and doves). Care, cuddles, games, rallies... something to delight young and old alike.
