LES AUGES CHALET

Numerous excursion possibilities are accessible to hikers of all levels towards the Vallon du Nozon and especially to the summit of the Dent de Vaulion. Passionate MTB riders pass nearby on the MTB Jura Bike Trail No. 3. The panoramic view from the terrace overlooks the lakes of Neuchâtel, Morat and Bienne, the plain of Orbe, a section of the Jura mountains and on clear days - and with a bit of luck - the Bernese Oberland.
