# WRESTLING FESTIVAL OF THE BERNESE JURA

The 2022 edition of the great regional annual meeting of the Swiss wrestling will have a very particular flavor since it will coincide with the jubilee of the 100 years of the Association of the wrestlers and gymnasts to the nationals of the Bernese Jura "ALGNJB". The organizing committee wanted two strong symbols. On the one hand, a location that is worthy of the event and on the other hand to be able to find the friendly and authentic atmosphere of the festive meetings of the time. It is therefore on the crests of Mont-Crosin and in a character of alpine festival that we will live together this moment of celebration.

For this jubilee, wrestlers from Solothurn and Entlebuch in the canton of Lucerne will be invited for the active tournament on Sunday. For the Saturday and the youth tournament, wrestlers from Solothurn and from the club du Vignoble in the canton of Neuchâtel will be present.
