HÔTEL RÖSCHENZERHOF

The Hotel Röschenzerhof welcomes you in an authentic and peaceful setting. The establishment comprises a restaurant, a seminar room and a beautiful private spa.

The Röschenzerhof offers a choice of seven individual rooms spread between two buildings - a modern airy one and a renovated country house. Each has its own special features, and the mood is set throughout by a number of surprising paintings:

There are four double rooms ranging from 20 to 28 m2 (that can also be booked as single rooms and one of which has a kitchen) on the garden side of a modern, airy building with direct access to the lift and thus also to the cultural café (breakfast room), the spa and the garage - also ideal for people with reduced mobility.

Two 20 m2 double rooms (also bookable as single rooms) plus a spacious suite with two double beds for up to four people, complete with gallery and balcony in a rustic old building.
