GÎTE DU MONT DES CERFS

The Mont des Cerfs gîte, a former cheese dairy, is set in the heart of the Jura pastures. It offers a warm, authentic atmosphere for guests passing through. It is close to footpaths in summer and cross-country ski trails and snowshoe trails in winter.

?

Its specialities include bear's garlic, boletus or Morel & Mauler fondues. Traditional cheese or mushroom croûtes, venison roast sausage or beef on the slate and Burgundy fondue.
