

FUN & ADVENTURE, MOUTIER

PARAGLIDING PILOT-PARA

Who hasn't dreamed, one day, of freeing themselves from gravity to glide through the air, playing with the clouds, the air currents and flying over grandiose natural landscapes?

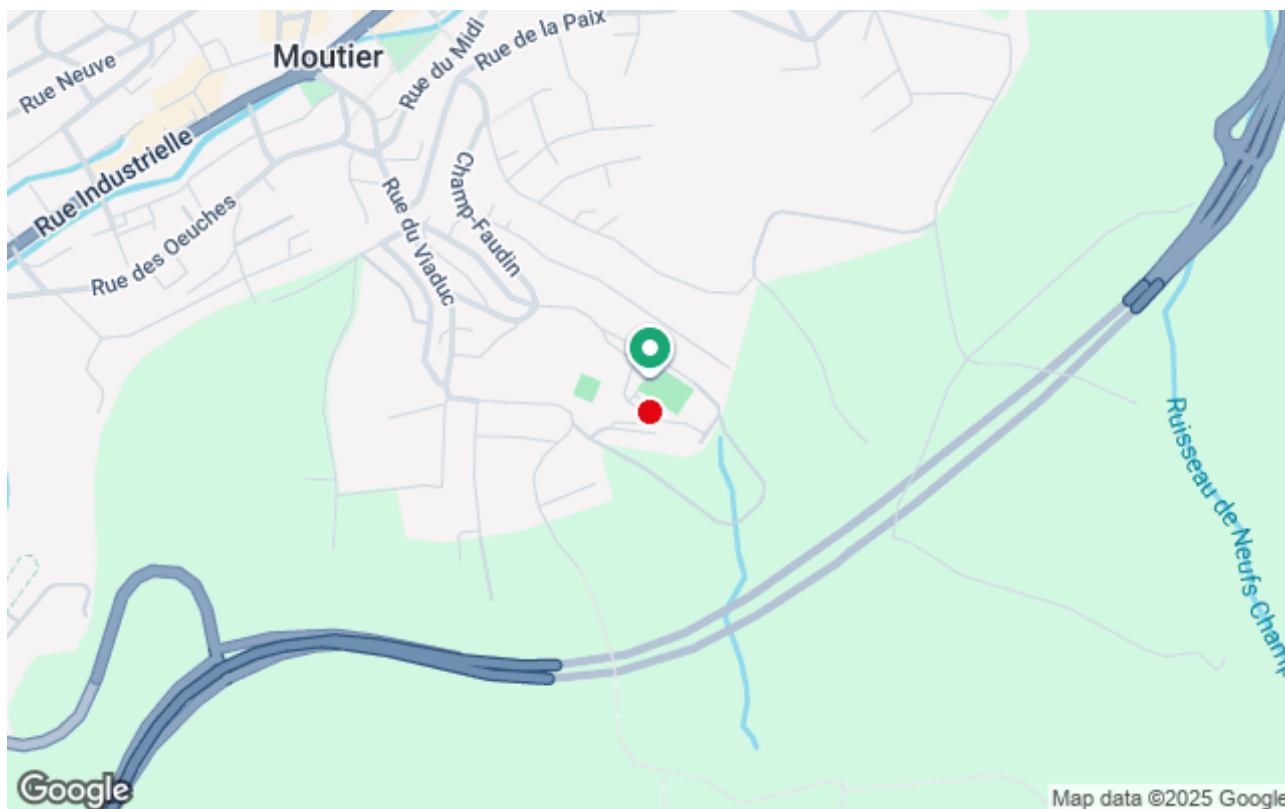

For those who would like to share this dream, alone or in tandem, PILOT-PARA has set up a paragliding school and a specialized store in Moutier, in the heart of the Jura. It is located at the foot of the Graiterie mountain, behind the ice rink.
