

FESTIVITY, FESTIVAL, LA NEUVEVILLE

# LAST FRIDAY LA NEUVEVILLE

On the last Fridays of May, June and July, downtown La Neuveville comes alive! A remedy against the gloom, this is the idea behind the Last Fridays which will be inaugurated on May 27 in La Neuveville. The goal is to offer a festive moment to the population and to give a post-pandemic boost to local businesses. Those who participate will close their doors later and will be able to organize animations near their storefront.
