

FUN & ADVENTURE, SAIGNELÉGIER

DETECTIVE-TRAIL

Starting at the Marché-Concours hall, explore the landscapes of the Franches-Montagnes along with Detective Badger. With his help, solve the riddles you encounter along the way.

Keep your eyes open as you cross wooded pastures and forests and follow the photos on the route map!

Perhaps a treasure will await you at the end of the route?!

A fun activity for the entire family!

If there is snow during the winter season, the route is not passable.
